PLAYDAY 2010

Loggerheads Parish Council is delighted to report that the two Playdays held in August were really well supported, over 70 children enjoyed a wide variety of activities, on Monday 23 August, Tagedale Brook played host to a magic and circus workshop, children learnt balloon modelling, juggling and plate spinning, Peak Pursuits provided some team building exercises and Wildplay had the children making bird feeders and clay faces. Even the relentless torrential rain didn't dampen the children's spirits!

Thursday 26 August saw children enjoying a Punch and Judy show and balloon modelling, along with a mobile climbing wall.

It is the intention of the Parish Council to check out the feasibility of running a further indoor activity session during October half term, look out in your children's school newsletter for further details.

I would like to thank Councillor Sue Fox for all her hard work in organising these fun filled sessions.

If you have put up signage for an event please can you ensure that it is removed as soon as possible after as there is an increasingly large quantity of signage in the Parish, your co-operation is much appreciated.

Loggerheads Parish Festival 2010

What a success!

Hundreds of people attended this year's Loggerheads Parish Festival. With activities and stalls there was something for old and young at the event. Children and adults enjoyed tackling the climbing wall and there was plenty of slides and bouncy castles for everyone. The large marquee had a number of both community and business stalls, the committee were absolutely delighted with the turnout of local organisations. The feedback from the event was very positive. We would like to extend our thanks to Angie and Paul at the Loggerheads Pub who allowed us to use their garden and facilities during the day and night and for providing all the lovely food.

In the evening a fantastic time was had by all at the 1940's party, singer Maggie O'Hara had the crowd on their feet singing along! It is hoped that the event has raised over £500 for Help for Heroes.

If you enjoyed the day and could spare a few hours please consider joining the committee, the meetings are relaxed and fun, held in the Loggerheads Pub. Please contact Jess Jenkinson.

Lets make 2011 even bigger!
